New Homes Bonus: £25,913 VAT reclaim: £20,000

Item 5: Precept 2016 - 2017

KPC set a precept of £132,228.72 for 2015 - 2016 which was an increase of 2% on the previous year. This was reduced by £2,013 through the Cheshire West and Chester Council Tax Reduction Scheme.

The Parish Council tax is calculated by dividing the precept requested by the Parish Council by the estimated tax base for the Parish Council's area within the Parish (figs provided by CWAC Valuation Officer). The tax base for KPC was calculated at 1786 Band D equivalent properties. Allowances are then made for discounts, exemptions, Council Tax Reduction Scheme, non collections etc. Band D equivalents are calculated by scaling properties in other bands either up or down to convert them to Band D levels. This resulted in an approximate annual charge/household (Band D) of £72.91.

A consultation is currently taking place with regard to the New Homes Bonus and this will be discussed at the next PC meeting. It is unlikely that this grant will continue in future years. No figures have yet been issued by CWAC regarding the Council Tax Reduction Scheme for 2016 - 2017. The tax base for Kingsmead has not been confirmed for 2016 - 2017.
