

# NOTICE of TENDER PUBLICATION

## Kingsmead Grounds Maintenance Contract

Kingsmead Parish Council manages a variety of open, communal land, which includes significant areas of grassed amenity land, hedges, shrubs, associated paths and paved areas. The Parish Council wishes to let a contract to maintain these areas of Kingsmead, including the emptying of litter bins, for the enjoyment and pleasure of its residents.

The Parish Council is seeking to develop a partnership relationship with a competent and professional organisation that can support the delivery of its objectives for excellent grounds maintenance. We will seek to partner with organisations that understand the high standards expected by residents and can recognise how this can be best delivered.

Notice of this tender has now been published on the Gov.uk **“Find a Tender”** service:

[Kingsmead Grounds Maintenance Contract](#)
